BASEBALL

Barton Defeats Orleans 8 to 5 in Twelve Innings.

After trailing for seven innings at Orleans Wednesday, Barton tied the game in the ninth and made four runs in the tenth and made four runs in the eleventh. In the first of the ninth B. Lee led off with a double, Dubois went out to Lynch, Smith then singled and Lee came in with the tying run. In their left Orleans started in to sew up the game. Sullivan doubled at this point, Heath, having pitched in old-time form for nine innings retired in favor of Dailey. Dailey not being warmed up Lynch received a free pass, Clifford hit to Lee and Smith dropped the throw. During the mix-up at first base Sullivan started for home, but Smith recovered in time to throw him out with a nice peg to the plate; on this play, Lynch having reached third, Clifford started for second. When McDowell threw to stop him Lynch legged it for home only to be cut off by Lee. Clifford seemed to think this a good time to go third but McDowell threw him out and Barton had completed one of the few triple plays ever seen in this section. Both sides were blanked in the tenth and eleventh, but in the twelfth with two out and two on, Heath, McDowell, Lee, and Dubois all hit safely for four runs and victory.

Dailey Pitches No-hit, No-run Game.

Barton defeated Orleans at Roaring Brook park Friday in a game that was remarkable for the fact that Dailey let the visitors down without a hit or a run. Only 27 men faced the big pitcher. Not a man went to first on balls and 11 went out over the strike-out route. Styles, too, pitched well, but Barton was able to collect six hits and three runs off his delivery.

Lowell People Injured in Auto Mishap

Four persons of Lowell were injured, one severely, about 5 o'clock Sunday afternoon when the automobile owned by Steve Sheltra, turned over as the result of running over a dog while attempting to pass another car. The wrecked car contained Mr. and Mrs. Sheltra and five children. Mrs. Sheltra, most severely injured, sustained a broken leg, a sprained arm, and injuries to one hip. She was taken to a Burlington hospital Monday. Mr. Sheltra was badly cut about the head, while a son, Nelson, has a sprained wrist, and another son, Harold, a fractured rib. Three smaller children received minor bruises. Dr. R. W. Adams of Newport Center, and Dr. Young of Lowell were called and gave medical attention. The automobile was badly smashed as a result of the accident which took place on the Burlington road in front of H. E. Finnegan's house.

WANTED AT ONCE—A girl for table and kitchen work. U. S. Bobbin & Shuttle Co., Willoughby. 3447

B. A. Opens Tuesday Next.

Barton Academy and Graded schools open Tuesday of next week. A strong corps of teachers has been engaged and a new teaching class has been established with every prospect of a large attendance. Courses of study in the high school are about as usual but any who can be urged to see Principal Stevens before school opens, to talk about courses.

Several students desire places to work for their board and anyone having such a place will confer a favor upon the school authorities in notifying Supt. Batchelder or R. P. Webster. Tuition charges will be the amount allowed accredited high schools by the new state law.

Many Local Mayflower Descendants.

Reference last week to descendants of Mayflower passengers who now reside in Orleans county, three who are members of the Massachusetts Mayflower society, being named, Mrs. O. M. Rowell of South Albany, as a two-line descendant, H. B. Cushman of Newport and Charles Foster of Derby Line, have directed attention to the matter and other descendants of Mayflower passengers have been brought to light.

Mrs. Lottie Clough of Barton and Mrs. Addie Dow of Newport are direct descendants from Gov. Bradford, who came to this country in the Mayflower, being of the eighth generation removed. The late A. F. Hinkley of Glover was also of the same descent.

Ninth generation descendants from Gov. Bradford living in the county are Arthur Clough of Irasburg, Herman and Marjorie Hinkley of West Glover and Mrs. Clinton Wood of Harold, Dow of Newport.

Tenth generation descendants from Governor Bradford living in Orleans county are Mayland and Charlene Clough of Irasburg, Dorothy and Roger Wood of Newport, Robert and Richard Kossier and Carlton and Caroline Dow, all of Newport Center.

There are many other Bradford descendants in the United States.

Irasburg, Vt. August 22, 1921

Mr. Editor:—

In your last Monitor I see you give names of three descendants of Mayflower passengers. We are not members of any society, but are eligible, all right, for my mother, Mrs. Mary Ordway, is a four-line member of the Mayflower successors, being eighth generation from George Southwick, Standish, John Alden and Priscilla Mullens. We have six ancestors who came over in the Mayflower: Priscilla's father and mother, (William Mullens and wife, Alice) being the remaining two.

We do not expect you to publish these facts unless you are getting a list of such descendants in the county. I think there must be several others.

Respectfully,
Inez J. Winslow.
